MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Unauthorized Disclosures of Sensitive Intelligence Information

REFERENCE : USIB-M-700, [redacted] Item d. 25X1

1. The Chairman, Security Committee, has requested that the attached report which responds to Board direction in the reference, be circulated to the USIB Principals for their information at this time. The report concludes that the disclosures could adversely affect sensitive intelligence collection sources and methods, but that wide dissemination of this intelligence information makes it virtually impossible to identify the source(s).

2. The Chairman, Security Committee, advises that the Committee will be looking into the broader aspects of unauthorized disclosures and will continue to explore possible future courses of action in this area.
